

TOP SECRET

DAILY STAFF MEETING

Thursday, 18 October 1951

Colonel Hansen reported that:

25X1

- b. Senator Bridges and the Committee Staff have intimated that we might possibly get [redacted] for the construction of our building. However, this is only from the Senate side and still has to be considered by the House. He also noted that it may be necessary for the DCI to talk with Congressman Taber and Congressman Mahon.

25X1

- c. He had done some preliminary work on the CIA Progress Report for the President and the NSC and believed the next step should be to discuss this at an early AD's meeting. Mr. [redacted] stated he would mention this to the DCI.

25X1

Mr. [redacted] stated that at an early IAC Meeting Mr. Kirkpatrick wished to brief the members in executive session on priorities produced by the Inter-Agency Priorities Committee. Mr. Kirkpatrick also intends to bring out the fact that the same people from the Service intelligence agencies do not attend each meeting.
